About

Go Click On

Overview: Go Click On is designed to be your one-stop destination for all IT services under one roof.

Go Click On offers a wide range of IT services starting from design to development stage with an approach to develop flexible and strategic planning resulting in speedy and measurable benefits to integrate IT processes with creative and robust IT solutions.

We focus to create and sustain value with a deeply embedded corporate culture of commitment, core value, integrity and excellence. Our focus is client-driven approach and commitment towards exceeding their expectations.

Our resources are valid and holistic, and we focus on workplace skills at the same time.

We have a team with Industry experience and our commitment is to continuously improve our products based on client's reviews and feedback.

What we do: We help our clients integrate their business and IT processes with flexible and creative IT solutions. We work on strategic planning resulting in speedy and measurable benefits.

"WE PROMISE WE DELIVER IS OUR KEY MOTTO FOR SUCCESS"

Vision: Go Click On strives for perfection. The entire team believes in attaining excellence with dedication and hard work. We believe in planning and organising that suits best to our clients and we ensure the work is completed in a desirable timeframe. Here at Go Click On we understand that quality is an important criteria for any business to succeed. We have been running this business since 10 years and we will continue in giving high standards each time.

Mission: Go Click On mission is to implement innovative ideas and deliver cost effective solutions to all our clients. Being trust worthy and fair business partner since 10 years, we maintain quality standards and we have the skills and experience to provide effective and efficient IT support services making us results driven company across Australia.

Message from Founder

Meet the Director:
Adi Shah - Founder

Thank you very much for visiting the Go Click On website.

Ever since Go Click On was established in 2010, we have strived to create products and services that provide value to our clients.

Our team at Go Click On are reliable, enthusiastic, creative and are team players. We endeavour to offer the best. We have only one objective: to ensure our clients mission objectives are achieved with the highest level of capability and assurance, and at the lowest possible cost.

We at Go Click On will be united in our efforts to continue meeting in good faith the expectations of our clients and would like to cordially ask you for your continued invaluable support.

Thank you!
ADI
Founder

2010

Formed in 2010 with a company wide mantra to change the industry by providing the best quality IT service one can find

2012

We went Global with our first expansion after 2 years with overseas designated workspace.

2014

Go Click On set up an exclusive online computer store with competitive product rates.

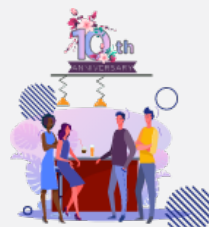

2016

Another expansion with etworks.

2018

Another success story with a new office in Melbourne CBD established around a strong team of IT professional

2020

Celebrating 10 successful years

2022

Brand Building of 12 years is a journey. We pledge to progress even after the destination.

ONE STOP
FOR ALL
IT SOLUTIONS

Our Team

Go Click On has accomplished success due to the formation of the strong team. We believe in team work, honesty, respect and innovation. Team members thrive in delivering excellent services which is the only reason we have repeat clients and we are very proud of our achievement.
